# Introducing Gausave

## Choose your travel times and save up to 30%

### Fares and Journey Products

Your Gautrain Gold Card allows you to load a variety of different fare products to suit your travel needs:

#### Pay-as-you-go:

Simply load a convenient value onto your Gold Card and then tag in and out of any service. The correct fee (and any applicable discount) will automatically be deducted from your Gold Card. Credit balances (and transaction history) can be checked at any ticket office or ticket vending machine.

#### Period Products:

If you regularly commute between two stations you should consider buying one of our period products. These products offer great discounts on train fares. You will however still need to load pay-as-you-go value to pay for parking and bus fares.

### How Gausave works (applicable to pay-as-you-go fares only):

The **Red Fare** from the table below is automatically applied when you tag into the fare gates as indicated in the timetable between 06h30 and 07h30 and travel in the direction indicated on any weekday.

The **Orange Fare** from the table below is automatically applied when you tag into the relevant fare gate between 06h00 and 08h30 (unless a red fare applies) or between 15h30 and 18h00 on weekdays and all day on weekends and public holidays.

The **Green Fare** from the table below is automatically applied when you tag into the relevant fare gate before 06h00, between 08h30 and 15h30, or after 18h00 on any weekday.
